SCA National Convention

Organisers indicated that Alice Springs, its convention centre and the creative social program venues made a huge contribution to creating a unique experience for the delegates

IMSANZ and SOMANZ Combine Conference

Our event went off without a hitch - Alice Springs proved to be an excellent place to hold our meeting. Venue staff were engaging, helpful and efficient and off-site accommodation was also readily accessible. The cultural extras including the Welcome to Country and dinner at The Quarry were highlights. I would recommend Alice Springs as a conference destination and the venue without hesitation
